R10 will be briefing (conference call) CSTAG on Tuesday, May 26 from 12 noon to 2pm on RI Sections 1 and 2. The idea is to have a few Board members with more in-depth knowledge of the site prior to the November review.
There will be at least one more briefing on the remaining RI sections.
I'll be driving back from my Mom's in FL on 5/26 so I will miss the first call.
Please let me know if you can participate. Thanks.
